Subject: Spring 2015 DSS/VCU Training Announcement
Importance: High

This file is being sent to assisted living facility and adult day care providers from the Virginia Department of Social Services Email Distribution Service.

Please do not reply to this email.

Good Afternoon,

Please find attached a training announcement for the **SPRING 2015 Training Series** offered by the Department of Social Services and the Virginia Commonwealth University Department of Gerontology. You may also view the brochure on-line at:
<http://www.sahp.vcu.edu/gerontology/professional/socialservices.html>.

Please pay attention to the information regarding training registration as registration and payment for the class is required 10 business days before the training date. If payment is not received 10 business days before the class, the registration will be canceled. Additionally, if an adequate number of class registrations are not received we reserve the right to cancel the class. Please register early for the classes, as the spaces fill up quickly. Also, you may now pay for the training with a credit card.

Additionally, please pay close attention to the location for the training that you chose to attend. We have changed several of the training cites to better accommodate our participants.

A Program for Caregivers Working in Virginia's Licensed Assisted Living Facilities and Adult Day Care Centers

Topic

**Individualized Service Plan:
Meeting Resident/Participant Needs**

Who Should Attend?

This program is for professional caregivers working in Assisted Living and Adult Day Care settings. This course is designed for those who are new to the facility or newly responsible for creating ISPs. This course is not designed to be a refresher course.

Objectives

At the end of this training, participants will be able to:

- Identify the Virginia licensing standards related to individualized service plans.
- Discuss the purpose of the uniform assessment instrument.
- Discuss the importance of the individualized service plan.
- Discuss the importance of interdisciplinary assessment of residents.
- Interpret assessments to determine resident needs.
- Develop and use goal-oriented individualized service plans.

About the Trainers

Trainers for this seminar are Gerontologists, Registered Nurses, educators and/or consultants who specialize in the care of older adults.

Please Note

Registrations **MUST BE** received at the Department of Gerontology 10 business days prior to the training date. If registering less than 10 days prior to the training, a certificate of attendance will not be available at the training, but will be mailed at a later date. If payment is not received 10 business days prior to the training date, your name will be taken off of the roster.

Certificates of attendance will NOT be provided for late arrivals or early departures.

A light breakfast will be provided.

CEU's are available at the training for a \$10 processing fee

ATTENTION

It is recommended but not required that anyone attending ISP training first complete the UAI training in order to enhance what will be learned in the ISP training. Instructions for the Knowledge Center can be found on the DSS website.

Continuing Education Credits

CONTINUING EDUCATION UNITS: This course meets the criteria of Virginia Commonwealth University, a SACS-accredited school. 0.6 Continuing Education Units (CEUs) will be awarded by transcript and recorded by Virginia Commonwealth University. There is a \$10 processing fee.

Each site will have the appropriate forms available for continuing education credit the day of the training. Mail the completed form and processing fee to the VCU Department of Gerontology, P.O. Box 980228, Richmond, VA 23298. The deadline for requesting CEUs is **two weeks** after the last training date.

To access your CEU Transcript, visit www.ceu.vcu.edu and enter your name, date of birth, city, and state exactly as it appears on the registration form. You will also need the event number, which is located on each CEU application form. Please allow **3-4 weeks** after the end of the event before processing your online transcript request.

Online application and advance payment of CEUs will now be accepted during online registration for each training course. Upon registering for a training, you will be asked to select if you want to receive CEU credit for the course. A \$10 processing fee will be added to your total. You must complete the online CEU application form during registration. Refunds will not be given for no-show attendance. If you have any questions, please email agingstudies@vcu.edu

Please Note: Registrations must be received at the Department of Gerontology 10 business days prior to the training date. If registering less than 10 days prior to the training, a certificate will not be available at the training, but will be mailed at a later date.

Virginia Commonwealth University is committed to a policy of equal opportunity in education without regard to race, creed, gender, national origin, age, or handicap.
